Welcome to the Derbyshire Safeguarding training and development programme April 2017 – September 2017

Introduction

Training to protect children in Derby and Derbyshire

Safeguarding and promoting the well-being of children and young people is everybody's business.

The Derbyshire Safeguarding Children Board (DSCB) learning and development programme aims to encourage staff and volunteers from all agencies to meet and study together in order to promote shared knowledge, skills, values, procedures and practice.

Derbyshire SCB is committed to making sure learning and development is accessible for a variety of workers across Derbyshire however it is not always possible to locate venues for all courses in all parts of the county.

A range of learning and development opportunities are provided including; multi agency training, bespoke training to single agencies, e- learning and workshops. There is also a programme of safeguarding training for schools and colleges, further details can be obtained by e-mailing safeguarding.training@derbyshire.gov.uk

Safeguarding training should be “refreshed” every TWO years for those with a designated safeguarding role/responsibility and every THREE for everyone else working with children and young people.

However you do not have to keep taking the same safeguarding course but should choose other courses to help develop your skills and knowledge in this area. Ofsted and other inspecting/regulatory bodies look favourably on training records that show progression rather than repetition of the basics.

Who requires training?

Everyone who comes into contact with children and families has a role to play and has a responsibility for keeping them safe. (Working Together 2015) Course levels do not reflect the complexity of the course but the range of workplace responsibility of the participants

Role Level 1: Those whose work or volunteering role brings them into contact with children and young people and families/carers

Role Level 2: Those who work or volunteer regularly with children, young people and families/carers, and may be asked to contribute to safeguarding processes

Role Level 3: Those with particular and specialised responsibility for safeguarding children through core safeguarding processes: assessments, child protection conferences, core groups, plans and responses

Role Level 4: Those with responsibility for supervising or guiding staff in safeguarding processes or managing services such as safeguarding leads, designated or named professionals and managers of staff working at role level 1-3

Staff and volunteers with **Level 1 and 2** responsibilities will have access to materials on the DSCB website and should be provided with induction and support from their agencies. All courses are aimed at staff and volunteers who hold **Level 2 and Level 3** responsibilities. Everybody's Business is suitable for staff members who have either Level 2 or Level 3 responsibility at work however it is primarily aimed at staff new to safeguarding.

The application process

- Please complete a course application form on page 5 and return to safeguarding.training@derbyshire.gov.uk
- Confirmation of places and venue details will be sent out via email to the member of staff or their manager.
- **Staff should only attend if their place has been confirmed.**
- If staff attend without confirmation and the numbers exceed the capacity of the venue they are likely to be asked to book on and attend another future date for that course.

Cancellation and charging policy

Demand for the DSCBs' courses is high and not all applicants obtain places. It is **essential** therefore that staff inform the training administrators of any cancellation in advance of the course start date, in order for the place to be offered to another candidate.

Please note - All multi agency courses are free to agencies who contribute to the DSCB. From April 2017 profit making organisations including private children's homes, private nurseries, private schools, free schools and academies will be charged £95.00 per person for a full day course and £45.00 per person for a half day course.

Certificates of attendance

Certificates of attendance can be requested and will be sent electronically. In exceptional circumstances a printed certificate can be made available.

Full day events run from 9.30 - 4.30

Half day events run from 9.30 - 1.00 or 1.00 - 4.30
